InsideOut Band is a group of professional musicians from Richmond Va., performing in Virginia, North Carolina, Washington D.C., Maryland, and West Virginia for many years. Some InsideOut members have performed across the United States and abroad including Ireland and Cancun.

InsideOut Band's musical influences include Chicago, Tower of Power, Blood Sweat and Tears, Earth Wind & Fire, and Kool and the Gang. Also artists like Michael Jackson, Marvin Gaye, Al Green, Luther Vandross, Prince, the Time, and too many more to list. Having both female and male lead singers offers InsideOut the opportunity to play a wider range of material. Additionally, it doesn't hurt to have two more lead singers who also play instruments. In all, four lead vocalists add to great harmonies as well as lead vocals.

Add to the vocals the explosive horn section, playing sectional lines like in Make Me Smile to Tower of Power's Diggin on James Brown, it is a powerful combination. The Horn section consists of four horns, Trumpet, Trombone Baritone, and Tenor Sax, and gives InsideOut the diversity to play lots of different styles from jazz, swing, and R&B to funk and more.

Tickets are \$10.00 and can be purchased online or at the gate. Picnic baskets are welcomed but absolutely NO GLASS, ALCOHOL, or DOGS. All bags are subject to search for restricted items and for safety of our guests.

Weaving tales of life's adventures through heart pounding rhythms and powerful lyrics, Raquel & The Wildflowers will take you on a journey where the dust settles and the cowboys & cowgirls dance.

Singer/Songwriter Raquel de Souza won a ReverbNation contest in 2018 for her first single ``Run Towards the Highway``. The song went #32 on DRT Top 50 Country Airplay charts alongside country stars like Carrie Underwood and Luke Bryan. Shortly after she performed live on air for several radio stations throughout the USA.

A year later in 2019, Raquel changed her artist name to Raquel & The Wildflowers.

Since then, she has toured the USA independently with her band, lighting up stages featuring headliners like Dierks Bentley, Kane Brown, Thomas Rhett, Sara Evans, and others.

Other notable performances include opening for multi-platinum artist Andy Grammer, award winning bands as well as performing at the Ohio State Fair, The Big E Fair, MusikFest, Country Fest, Lando Live, Thursdays Downtown, Northern Appalachian Folk Festival, The Cutting Room, The Geneseo Riviera and more.

Raquel's "I'm a wildflower" tour in 2023 provided a glimpse of several songs from her first album. On August 1, 2023, she released the album exclusively on a CD, and by December 22, 2023, all the CDs were sold out. The digital version will be accessible worldwide on music platforms starting February 27, 2024. The digital album will feature two bonus tracks known as the "Lavender Version".

2023 Farmers Market season and we couldn't be more thrilled. His dad, the very talented Jack Cooley, will accompany Shane on the drums! Shane has been writing, recording, and performing music since he was a brilliant young teenager. Shane earned his Bachelor's degree in English Lit at William & Mary and then hit the road with his music, touring through the U.S. and Europe. He spent most of his 20s in Austin. His reputation as a skilled, prolific songwriter is evident. We are so lucky to have both Shane and Jack on stage for our November market!

JOIN US for the VIA's 24th Annual Irvington Turkey Trot on Thanksgiving Day. It's a scenic run through the neighborhoods in Historic Irvington for those serious competitors and a fun jog/walk/hop/skip/jump for the rest of us! The Turkey Trot is a "must-do" event for the Thanksgiving holiday on the Northern Neck of Virginia. The Annual Turkey Trot is organized by the dedicated volunteers of the VIA ~ the Village Improvement Association.

In the spirit of Thanksgiving, this popular race solicits donations of dry pet food for dogs and cats from race participants. The donations are then distributed to local animal shelters.
